COMPANY PROFILE

Elegant Millwork Limited., founded in 2004
In Guangdong Province, is a leading manufacturer specializing in cabinet customization with over 21 years of export experience.

Equipped with 40+ advanced processing machines imported from Germany and Taiwan, we ensure recision craftsmanship, efficiency, and exceptional quality in every product.

With a dedicated team of over 300 employees, we have successfully delivered 500+ projects worldwide, serving 30+ real estate developers and 10+ high-end hotel groups with a specialization in FF&E service.

Our products are exported to more than 30 countries, and our rich project experience spanning over two decades reflects our commitment to excellence, innovation, and customer satisfaction.

FACTORY INTRODUCTION

Our factory is strategically located in Heyuan City, boasting a total production area of over 100,000 square meters. Equipped with 5 cutting board production lines (3 fully automated) and more than 20 sets of large-scale imported processing equipment from Germany and Taiwan, we integrate the advanced WCC Intelligent Production System to achieve efficient and standardized manufacturing.

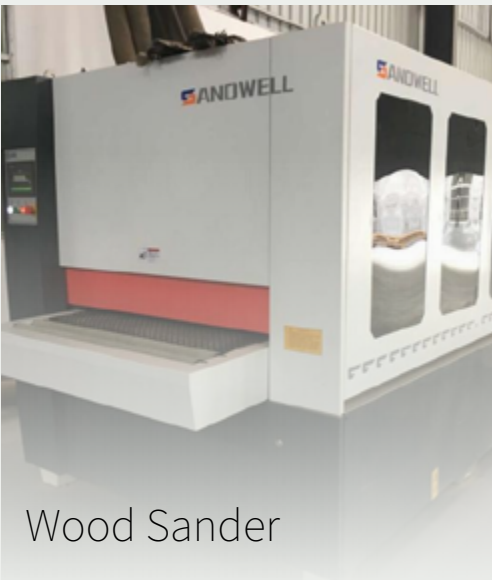

Leveraging data-driven CAD drawing technology, we ensure exceptional precision in cutting and punching processes, significantly optimizing production efficiency while maintaining consistent product quality. We specialize in providing flexible ODM/OEM customization services, fully capable of meeting the diverse requirements of global clients for custom cabinetry and furniture.
